

2026-2027 Tuition / Scheduled Closings Information

Tuition is based on a **Seasonal** (September thru May or June) **Fee** that is broken into nine or ten equal monthly payments for your convenience. **All accounts must have a debit/credit card on file. All balances due will be charged to the card on file on the 1st of each month.** Any personal holidays, vacations or sick days may **not** be discounted from monthly payments, however you are allowed to do make-up classes. Make-up classes should be done after the student is marked absent ~ **not before**, and **must be done within 30 days of the marked absence. No make-ups are allowed for "Scheduled Closings" or after April Break. *Make-up classes are offered to enrolled students only***

If at any time during the Season you wish to unenroll; we simply ask that you inform us **before** the 1st of the month. You will be unenrolled and not charged further. If we are informed after the 1st of the month you are responsible for that month's tuition.
